

Brown Bag Lunch

12 women braved the nasty weather yesterday, 1/18/11, to enjoy a richly chocolate scented environment and hear Margaret Maclay of Focal Point Coaching and Maclay Associates facilitate a workshop on increasing production/reaching goal in 2011. Very thought provoking and fun! Thanks, Lucille of Matisse, for providing the setting and great chocolate sampler! Thanks, also, to Angela Logan of Mortgage Apple Cakes for donating a fabulous tasting sample of her famous cake!
